Reception Admissions

If your pre-school child was born between 1st September 2013 and 31st August 2014 then you will need to make an application for a full-time school place your child for September 2018.

The closing date for applications is **Monday 15th January 2018**.

The best way to access the application form is at www.suffolk.gov.uk/admissions. The process is secure, convenient and easy to use. If you do not have internet access at home then you can use the internet at the local library. Alternatively you can apply on a paper CAF1 application form.

Pupils will not be allocated a school place automatically. All parents/carers must apply for a place, even if your child is already attending a nursery class in a primary school, pre-school or a children's centre next to a school site.
