Summer Term (Newsletter 6 of term)

June 15th 2018

Message from the Principal

Dear Parents/Carers,

It has been a busy week, as it has been our assessment week. All pupils have worked hard and to the best of their abilities. Our year one pupils have completed their phonics screening checks. We are extremely proud of them!

Kimberly Morton

The classes with the best attendance for the week ending 8th June were:

Very well done again to Swift class as they had the best attendance with a super 100% this time! Even better than the previous week.

Dove class came second with 97.9% attendance. Well done.

Swimming - Year 6

Next week will be Anti-drowning Prevention Week, so the children in year 6 have been asked to wear light clothing (e.g. shorts and t-shirt) over their normal swimming costumes, when they go to the pool.

They aren't allowed to wear 'heavy clothing' or denim but they can wear light clothes or their pyjamas, if they wish.

Girls swim on Monday and the boys on Tuesday.

Nursery

We will soon be sending out offer letters for September and have a few spaces available.

If you have a child born between 1st September 2014 and 31st August 2015 and would like your child to join our Nursery, please pick up an application from the office and return it to us without delay.

Dinner Money

Polite reminder that ALL meals should be paid for in **advance** on **Monday** for the week ahead.

If a debt has built up, parents should provide a packed lunch for their child until the amount owed to us has been paid.

Please ask to speak to Kimberly if you are experiencing difficulties with paying for lunches.

Water Bottles

We have purchased water bottles for all our pupils from Reception to Year 5. These bottles will remain in school and will be washed at the end of each school day.

This ensures that all pupils have a water bottle and do not miss learning time to get a drink.

Pupils in these year groups are not required to bring in water bottles from now on. (Year 6 pupils, please keep bringing in your own bottles).
