## Message from the Principal

Dear Parents/Carers,

It has been a positive week at Piper's Vale Primary Academy. All children have been working hard and settling in to the new academic year. Classes are buzzing with excitement as children are beside themselves to learn new things that they didn't know before. Lots of children have been celebrated this week, in assembly, for going above and beyond in many aspects of their school lives.

Have a lovely weekend.

Kimberly Morton
